

# Booster is for Richmond Realtors!

Since launching Booster personal concierge services, we have prioritized helping Richmond realtors, some of the busiest people we know.

The Booster Pre-Stage is the number-one service we provide to realtors. We downsize the contents of a house so that you, the expert in selling it, can stage the home for success on the market. We sort, upcycle, donate, or store household items, clearing rooms for the best possible showcase. In today's fast-paced market, we know how to handle this job efficiently and quickly, some homes in as little as two days.

Additional Booster downsizing and relocation services:

- Packing
- Moving
- Errands
- Organizing new space
- Setting up utilities and services

We come alongside you and your team as a team booster, not only handling tough tasks but doing so with a positive attitude and tons of energy.

It would be our privilege to help you help your clients.

Send us an email or call us at 804.907.3770.
